## Welcome back message from President Howard Anderson

As the days get shorter, the frost closer, and the sure and certain knowledge that winter is coming, we Club Members are fortunate to be able to look forward to time in the Valley of the Sun. Your executives, some new and some returning, have been working hard to provide you with a series of fun and interesting events.

To take advantage of all the club has to offer you must, of course, be members. November is a new year so if you have not renewed your membership fill out the membership form and send it to Shirley as soon as you can and remember, US funds only.

None of the events would happen without the hard work and dedication of your executive. This year's volunteers include me, Howard Anderson, our Vice President Chuck AuCoin who is responsible for organizing all the major events, Past Presidents Clark Sanchez and Member at Large Orest Baron who acts as the brain trust and provides a never ending source of wisdom and advice for the newcomers. Our hard working Secretary is Corrinne Mather who keeps the minutes and provides continuity meeting to meeting. Pat McNeil is our Treasurer in charge of keeping all those beans in the right columns. Shirley Cordero is our reservations and membership coordinator. Her great attention to detail ensures that all the payments that cross her desk are kept straight. The newsletters that you read would not be possible without the hard work of Doug Lockhart, our Tech Support go to guy. How he can put together all the information we all send him into a good looking new letter amazes me. Last but not least is Marilyn Pettigrew-Cayer who is responsible for finding a never ending succession of great restaurants for us to have those important coffee and breakfast mornings.

Being able to serve on the executive of such a great club is hard work but a lot of fun and a great group experience. We always need new people for the club to prosper, grow and continue to bring you the activities and events that you expect. We would sincerely appreciate the involvement of club members who are willing to volunteer a little of their time. No experience is needed as there is enthusiastic on the job training. Contact Howard Anderson at 623-266-1453 or Chuck AuCoin at 602-377-0487.

*Howard*

## WANTED

A volunteer to take over the job of newsletter creator for the Canadian Club of the West Valley. I am in my fourth year of doing this job and want to be replaced. I can keep doing the publishing of the membership lists and emailing the newsletters. In order to keep the newsletters in a similar form as present, the volunteer should preferably have some knowledge of Microsoft Office or any one of its components as they all have somewhat similar user interfaces. I will provide some training in MS Publisher for the volunteer as it is the main tool used to create the newsletters at the present time.

If interested, please contact me at my email address: [doug@ve7.ca](mailto:doug@ve7.ca) .
